

Graduate Program in  
**MOLECULAR GENETICS & MICROBIOLOGY**

School of Medicine  
Stony Brook University

**DISSERTATION DEFENSE**

*Reprogramming Cellular Morphology with  
Synthetic Signaling Proteins*

**Robert Rutigliano**

*Molecular Genetics and Microbiology Graduate Student*

*Advisor: Dr. Dafna Bar-Sagi*

**Friday ■ September 29, 2006 ■ 10:00am**  
**Room 038 Life Sciences Building**
