Revolutionary Advances in Carotid Disease Treatment

Thursday, June 29 • 6:30 pm
Insignia Restaurant
610 Smithtown Bypass, Smithtown, NY

At the end of this program, attendees will be able to:

• Understand the indications for treatment of carotid artery disease and be introduced to new endovascular treatment options
• Order proper diagnostic work up, diagnose and understand modern treatment for carotid artery disease
• Recognize the prevalence of carotid artery disease and its impact
• Identify high-risk patients in order to properly screen, treat and prevent progression of carotid artery disease

Physicians, physician assistants and nurse practitioners are welcome to attend.

Seating is limited, please RSVP by June 26 by calling (631) 252-0938 or email olympia.christoforatos@stonybrookmedicine.edu
