Unanswered Questions in Cardiac Resynchronization Therapy
Kenneth Ellenbogen MD, FACC, FAHA, FHRS
Professor of Medicine
Chair, Division of Cardiology
Director, Clinical Cardiac Electrophysiology and Pacing
Virginia Commonwealth University

1145PM-1230PM
Rapid Fire Real World AF Cases: Tailored Stroke Prevention Strategies from the Experts
Case Presentations: Puja Parikh MD, Giridhar Korlipara MD, Hal Skopicki MD, William Lawson, MD
Panel Discussion: Ibrahim Almasry, MD, Kenneth Ellenbogen MD, Roger Fan MD, Eric J. Rashba MD, Paul J. Wang, MD

1230PM-130PM
Lunch
130PM-215PM
Rotor Mapping for Persistent AF Ablation: The Thing to do or Voodoo?
Eric J. Rashba, MD
Professor of Medicine
Director, Stony Brook Heart Rhythm Center

215PM-300PM
Why I Love That Easy Freeze: How the Cryoballoon Changed My Approach to AF Ablation
Ibrahim Almasry, MD, FACC, FHRS
Assistant Professor of Medicine
Stony Brook Heart Rhythm Center

300PM-330PM
Break

330PM-415PM
Less is More: Simple, Elegant Solutions for CIED Management
Janice Chyou, MD
Assistant Professor of Medicine
Stony Brook Heart Rhythm Center

415PM
Reception
